

Hearing Aid Evaluation (Remediation of Communication Disorders)

Patient (Family) Expectation Worksheet

I am successful in this situation...

Goal (list in order of priority)	Hardly Ever	Occasionally	Half the Time	Most of the Time	Almost Always
1. To hear my adult children on the telephone.		C		E	
2. To enjoy television while I m sitting at my table.	C				E
3.					
4.					
5.					

C = how the patient functions currently (pretreatment or with current technology/strategies)

E = how the patient expects to function postintervention (HA, ALD, strategies, etc.)

✓ = level of success that the audiologist realistically targets

I = how the patient actually perceives level of success postintervention
