

# Extreme Art Nudes: Artistic Erotic Photo Essays Far Outside Of The Boudoir

"Extreme Art Nudes" has taken the classic nude out of the boudoir... WAY out! Maintaining a highly artistic perspective, we have explored a number of fetishes and other situations that are atypical of the classic nude. This juxtaposition of the soft female form with harsh elements creates the most visually compelling imagery. It is a celebration of the great inner strength that women share, and exhibited herein by my amazing model and muse, Vanessa.

Brief erotic essays accompany the spectacular, full-color and timeless B&W photographs. They provide the reader with a spicy insider's perspective related to the genesis and creation of each image. Also, as the chapters unfold, they will reveal a love story – that special relationship between an artist and muse.
