Table 3.5. Institutions for tripartite and bipartite Social Dialogue

Country	Name of institution	Date of Creation	Structure	Mandate
Cyprus	Labour Advisory Board (LAB)	2006	Tripartite	The LAB functions under the auspices of the Ministry of Labour and regularly assigns specific subjects to tripartite technical committees that work together, according to their prescribed terms of reference. This mechanism was used during the EU harmonization process.
Greece	Economic and Social Committee (OKE)	Established in 1994 by the Law 2232/1994	Bipartite plus <sup>(1)</sup>	The OKE promotes social dialogue and provides opinions on issues of social and economic policy particularly before draft laws on the above policies are submitted to Parliament to become Greek law. The OKE may also, on its own initiative, express an Opinion.
Ireland	National Economic and Social Council (NESC)	Established by Statute on November 2, 1973	Tripartite plus	The NESC analyses and reports to the Prime Minister on issues relating to economic development, social justice and the framework for relations and negotiations between the government and social partners.
Portugal	Economic and Social Council (CES)	Established on August 17, 1991 by Law No. 108/91	Tripartite	The forum for consultation on economic and social policies is a permanent commission for social dialogue within the CES. It is particularly responsible for the elaboration of policies on wages, salaries and employment reports.
Spain	Economic and Social Council (CES)	Established on June 17, 1991 by Law 21/1991	Bipartite plus	The Council is a consultative instrument of the government and its mission is to give opinions on preliminary drafts of legislation/royal decrees dealing with socioeconomic and employment matters or legislation dealing with the Council's own organisation.

(1) "Plus" indicates the participation of other organized groups of civil society, in addition to governments, trade unions and employers' associations, or the bipartite structure involving representatives of trade unions and employers' associations.

Through the great efforts of Francis Plaice and Joseph Hume the Combination Laws directed against the Trade Unions were repealed in 1800, as it of British trade unions requires not only its current legal status as defined by statute. 18 C.
