

# Mastering Conversational Hypnosis: Learn the Principles of Hypnotic Language Patterns

**The 3 Essential Ingredients  
For Successful Conversational Hypnosis**

 Conversational hypnosis isn't just a collection of skills.

**1**

**It's a state of mind.** It's an attitude. To have any chance of doing the things you want to do with it, you need to approach it with the right mindset.

 **2**

Conversational hypnosis makes use of tried and tested hypnosis principles to give your words and **ideas extra energy and power.**

When you put these principles into practice, everything you do and say will enable you to communicate with the other person's unconscious mind.

 **3**

 Conversational hypnosis relies on your thoughts, words, body language and tonality **working together in harmony.**

You can't be thinking about one thing and doing something completely different.

You can't be talking about relaxation while drumming your fingers on the desk or table.
