

Technical Writing For Dummies

Types of Technical Writing

Medical technical writing can cover a wide range of materials. This can include user documentation for medical equipment. It can also include documentation for electronic medical records software. Training guides can also represent medical technical writing.

Online help can be written by a technical writer. If it is part of software it should be easy to find information and easy to understand the information after a user finds it. Troubleshooting and application can go into online help. Help can be an important selling point for a product as can all good documentation that helps users.

Proposals are a type of technical writing. They can come in response to a request for proposal or request for bid. Proposals can also represent a bid for a grant from an organization such as the National Institutes of Health.
