Grammar

Fully comprehensive grammar tables in the grammar section guide students through the exercises while additional schematic grammar tables are provided in the Grammar Reference. Authentic style texts and dialogues provide the context essential for understanding the unit grammar.

Lifelong learning skills

Life skills

Students are encouraged to develop life skills with the Culture Reading pages in each Student's Book unit which present lifestyles in Britain and other countries, a Cultural Awareness quiz and video documentary in the Student's Book Revision Units, and with additional life skills analysed in the Macmillan Life Skills Collaborative Projects in which students are invited to reflect on how they put into practice their personal life skills in a team as well as the team's life skills as a whole.

Digital competence

All Clear For Bulgaria treats digital competence transversally with digital learning outcomes in skills work and the use of online tools for production and interaction in the Digital Competence pages and the Macmillan Life Skills Collaborative Projects in the Student's Book. The Digital Competence worksheets in the Teacher's Resource File provide an opportunity to review and learn new digital skills in an English language environment while the Teacher's Book teaching notes indicate websites where students can learn more about the topics in the Student's Book.
